The Ascot Pool Table Range - Walnut

The coin operated Ascot pool table features a steel slate support system to ensure a true playfield which is covered in Strachen West of England cloth to give a table true player appeal. The table has a new aluminium ball box incorporating a sealed meter, together with a coin handling facility featuring external access, giving the operator total security and offering the utmost reliability. Available in [Mahogany](#), [Beech](#), [Black](#) and [Walnut](#). For fabric colours [click here](#). Available in 6ft and 7ft pool tables. All pool tables come with a full range of pool accessories. These include pool balls, cues, triangle and chalk. IMPORTANT: THIS IS THE ELEGANCE VERSION OF THE ASCOT WALNUT TABLE. The standard Ascot pool table has different legs.
